Kathi,

As we have to provide an update to the Court today regarding the status of the outstanding document production, please let us know the timing on the production of Plaintiff's cell phone contents as soon as possible. If we do not hear from you by 3:00 p.m. today, I will email the Clerk, copying you, to advise that we have not yet received the cell phone production and that you have not provided a time frame for the production.

Best,
Katelyn

Can you please advise on the status of the production of Plaintiff's cell phone contents? We have not heard from you, and per our last communication, the data extraction was set to take place last Friday, on February 28.

Thanks,

[EXTERNAL E-MAIL]

Hi Katelyn. There was an unexpected delay in the data extraction process today. It has been rescheduled for 2/28. I apologize for the delay but we are working toward making this date absolute and I will be back in touch as soon as that is complete. I am truly hoping that there are no further delays.

Kathi
